Storage

MOBILE PEDESTALS

- Available as stationary or mobile, pedestals can be easily stored under the table or rolled out to wherever storage is needed.
- Durability enables secure storage of organized personal belongings and files.
- Finished with durable powder-coated paint in silver.
- Add an optional work-surface top or cushion for extra function.

FREESTANDING FILES

- Lockable filing cabinet feature full-pull drawers.
- Units include counterweight for stability.
- Standard drawer configuration is suitable for side-to-side filing.
- Features 100% drawer extension with anti-rebound feature.
- Optional work surface top allows to be used as a side table and for extra workspace.

MOBILE CADDY

- Provides multiple storage options in one compact cabinet.
- Caddy includes a pencil tray and a locking tambour door storage space with shelf.
- Units are interchangeable for right and left handed preferences.

TAMBOUR DOOR STORAGE

- The ultimate storage solution with optimal access and complete organization.
- All cabinets come standard with adjustable height shelves.
- Customize with storage inserts for maximum organization. Add pull-out filing frames, paper tray storage, paper drawers, and binder holders.
